Safety Course for Supervisors & Managers: Internal Responsibility

A session of the health and safety course *Supervisors & Managers: Internal Responsibility* has been opened for:

**Tuesday, November 29, 2016 [Downtown campus]**
3610 McTavish, Room 430  
**Time:** 9:00 to 12:00 a.m.  
[Registration](#)

**Friday, December 9, 2016 [Macdonald campus]**
Raymond Building, Room R3-011  
**Time:** 9:30 to 12:00 a.m.  
[Registration](#)

**Eligible participants:** All supervisors, laboratory managers, principal investigators (PI) and project managers

**Instructor:** Wayne Wood, Director, Environmental Health and Safety

**Objective:** A safe and healthful environment is vital to the attainment of the University’s teaching and research mission and no undertaking should be considered so important that it be pursued in an unsafe manner. In this course, designed to meet the needs of managers and supervisors, participants will become familiar with their internal and legal responsibilities and learn about safety management principles, hazard identification, risk assessment and the concept of due diligence, as well as the available systems and resources for effective health and safety management at McGill.

**Biology Department Holiday Party, Organized by the BGSA**

**When:** Thursday, December 8, starting at 6:00 pm

**Where:** Thomson House

**Tickets:** Available for purchase at the BGSA office

**Molecular Seminars**

**Date and Time:** November 21, 2016 at 4:00 pm  
**Location:** Stewart Auditorium N2/2

**Name:** Jané Kondev, Martin A. Fisher School of Physics, Brandeis University

**Title:** *Shape and Allostery of the Yeast Genome*

**Host:** Stephanie Weber
Organismal Seminars

Date and Time: December 1, 2016 at 3:15 pm***
Location: Redpath Museum Auditorium
Name: Graham Macdonald, Department of Geography, McGill University
Title: Food systems and agricultural sustainability: A global perspective
Host: Irene Gregory-Eaves

Date and Time: December 8, 2016 at 3:00 pm
Location: Redpath Museum Auditorium
Name: Olivia Wilkins, Department of Plant Science, McGill University
Title: Gene regulatory networks: water deficit, high temperature and agricultural environments
Host: Daniel Schoen

Date and Time: January 19, 2017 at 3:00 pm
Location: Redpath Museum Auditorium
Name: Laura Chouinard-Thuly
Title: How social information flows in groups of animals
Host: Biology Graduate Student Association

Neurobiology & Behaviour Seminars

Date and Time: December 2, 2016 at 1:00 pm
Location: Bellini, Room 230
Name: Katherine Shaw (Krahe Lab)
Title: TBA

Ecology and Evolution Lunches (EEL)

Unless otherwise indicated, all talks are scheduled on Wednesdays from 12:30 pm - 1:30 pm in the Stewart Biology Building, Room W4/12.
Please contact James Bull (james.bull@mail.mcgill.ca) for details and scheduling.

Date: December 7, 2016
Name: Kerri Ackerly
Title: TBA
Supervisor(s): Lauren Chapman
Molecular and Genetics Works In Progress Seminars (WIPS)

These seminars are scheduled every Thursday beginning at 12:00 p.m. in room W4/12, please see list below for dates and names of speakers.

**Coordinators:** Sreeparna Pradhan and Conrad Hall
