

SUMMER RESEARCH OPPORTUNITIES in Stream Ecology at Mont-Saint-Hilaire

Are you a biology or environment undergraduate with an interest in:

- Aquatic invertebrate ecology?
- Land use impacts on water quality?
- Aquatic biomonitoring?
- Summer fieldwork in 2012?
- Living with other researchers at the reserve?

Yes? Contact ASAP: rebekah.kipp@mcgill.ca

**Both jobs and BURSARIES AVAILABLE -- NSERC-USRA
and SURA application deadline: end of February 2012**
