FIELD STUDY SEMESTERS
AT MCGILL
FIELD STUDY SEMESTERS

- Arctic
- Barbados
- East Africa
- Panama

soon
The major difference between going on an exchange and participating in a field study semester is that you receive **15 McGill credits**

- **3** 3-credit courses – highly intensive (3-4 weeks)
- **1** 6-credit small group project with local mentors (NGOs, governmental agencies, private industry, local university professors) which spans throughout the field study semester
